NOTICE FROM THE DEPARTMENT OF PUBLIC WORKS

June 25, 2014

Rusty Water

Holbrook experienced rusty water in several parts of town today due to a Water Main Replacement going on in the Town of Randolph. The town of Holbrook's water system is linked together with the town of Randolph. Residents are encouraged to run their cold water for 10-15 minutes until the water runs clear. At the time of this posting, 3:30p.m., this situation should be mostly cleared.
